

Extended Benefit Option

American University of Cairo

Description of Coverage

You have selected an Extended Benefit provision which will provide you with the ability to continue coverage, on a limited basis, for a period of 60 days, after your return to your Home Country. You must remain continuously insured, including while on vacations and school breaks. Benefits will be paid for medical expenses incurred only for any Covered Illness or Injury which originated during the time you were abroad.

Benefits will be payable up to a maximum of \$250,000 and subject to a separate \$50.00 per Covered Illness or Injury deductible. All medical expenses covered under this Extension of Benefits provision must be incurred within 60 days of your scheduled return to your Home Country OR must be for the recurrence or continuance of a Covered Illness or Injury which originated during your scheduled trip, and for which medical expense benefits are payable under this Plan.
